SENIORS
Class of 2009

The Class of 2009: where do I begin? I can remember the first day of high school. You knew exactly who the freshmen class was from the expressions on our faces. Some were confused and some were excited but mostly confused. We wandered the halls attempting to find our classes and trying to find a seat at lunch. But we were eager little freshmen; ready to start our high school career. And what better way to kick off the year then to participate in Booster Day. The theme was Disney Movies and we thought the Aladdin float would win, but - not so much. Float making was a lot of fun but definitely had its ups and downs. But we survived the cold nights survived the cold nights at the Giknis house and the many hours spent trying to organize and figure who would do what. Our Knight was Nick Imbimbo and our Lady in Waiting was Allison Giknis.

We were getting use to the whole ID = detention. It was strange when the final quarter arrived and we realized that freshmen year was done, and that we would no longer be the freshmen of TFHS but we were moving on up to becoming Sophomores.

Sophomore Year started with another loss at Booster Day but we didn't let that bring us down. When Super Heroes was the theme the class of '09 chose The Power Rangers. We were just beginning to understand the way float making should work. Like most classes, we had our ups and downs but we knew junior year would be amazing. Our Duke was Josh Gammon and our Duchess was Julianna Coyle. But before we knew it Sophomore Year was over.

If I could sum up junior year in one word It would be: crazy. It started settling in that next year we would be seniors and figuring out what we would be doing in the fall of '09. Booster Day was a little controversial. As juniors we chose Captain Crunch. Unfortunately the Captain didn't sail in for the win, but that's another story. Sam Colton was the Prince and I was the Princess. Just like every other year, the 11th grade was by far the fastest. We did a lot of fundraising so we could put on an amazing prom for the seniors and juniors. Prom was Moonlight and Roses and it was held at the Delaney House. The juniors worked extremely hard so we could be financially stable entering our Senior Year.

And now for the moment we have all been waiting for: **Senior Year!** I dont think any of us would have ever imagined our high school career going by so fast. Booster Day was good and sort of bad. We were positive the 3 little pigs would lead us to a win, but the competition was fierce and although we didnt win the title of Booster Day Float winners we were awarded the title of Most Spirited Class! Our King was Nick Scarzynski and our Queen was Lindsey Wilson. As of right now we are in the works of putting together a class trip. And with graduation slowly approaching reality is beginning to set in from SAT scores to acceptance letters from college. We are ready to take on that next step. But we will always remember our 4 years here at TFHS. We will all look back 10 years from now and remember that time at lunch, or that trip we took, or just the memories you created with your friends. Our amazing class advisors have helped us so much, and on behalf of the Senior Class I would like to say thank you to Mrs. Thorn and Ms. McLaughlin. We cant wait to graduate and receive our diplomas. Its kind of surreal. But we are ready. We have grown so much through out high school. Its been amazing and I am honored to be graduating with this class. I wish everyone luck in whatever they decide to do. I am positive I will never forget the Class of 2009.

Im especially proud of the class of 2010. This year we made great strides and Im looking forward to our final year as seniors. Our prom at the Marriott in Springfield was amazing this year. I had a blast and know that people who I asked who went said they enjoyed it too. Even after prom our treasury is looking great which means we will be able to throw a great class trip. I want to propose a new name for the class of 2010; The Vanquishing Pinks. I propose this name because this year at float making the Pink Wave that is the class of 2010 vanquished all opponents. The float making process was an interesting experience which I dont wish to re-live. Our float making itself was a long drama fest of our students yelling at each other and calling each other names. But after we all learned to love and play nice we came out of float making this year covered in tears, sweat, and the pride knowing that we truly gave it all this year on our float. This year the class of 2010 has done the most fund raisers out of all the classes mostly which included devoting lots of time to UMASS trying to raise money for our prom and class trip.

SOPHOMORES
CLASS of 2011

Taylor Varlly, Recording Secretary; Kelli Humphrey, Vice-President; Brooke Hastings, Treasurer; Daniel Skarzynski, President; Taylor Howe, Historian, Natasha Vaughn, Corresponding Secretary; Officer-at-Large, Nikki Baxter

The Sophomores, Class of 2011, have grown closer as a class this past year and it has been a successful year all around. We have made memories together with every activity, fundraiser or class we have had with one another. The year started off with float making; determined to have fun as well as be successful, we worked harder than ever before. We worked non-stop, and as we did, we united as a class once again! We showed our school spirit throughout the week and supported each other as well as our class advisor, Mr. Ashworth. At the Booster Day game, we cheered on the football team who had a very successful game against Athol, as well as our Duchess, Kelli Humphrey, and our Duke, Andy Turban. We also continued our fundraiser of selling pies to people in the community and it was successful. We have started to work on planning the prom for the Seniors next year and are doing our best to make it memorable for them. This year we have learned that by working together, we can accomplish more and we know how to learn from our mistakes. This year has been a great one for the Sophomores. The Class of 2011 is different than any other class, and we are determined to meet our goals, and go above and beyond them.

Freshman year has been a new experience for all of us. Booster Day this year was great. We had Topher as our Knight and Jolina as our Lady in Waiting. We also made a fantastic float to the theme of Little Red Riding Hood. Out first fundraiser was selling coffee, which was quite successful, along with many other fundraisers. It had been an awesome Freshman year and everyone showed great spirit for our class. The class officers have done an astonishing job organizing everything and will strive to be as successful in future endeavors. It was a memorable freshman year and I look forward to out next three years here at TFHS. Keep up the excellent work, Freshman, and good luck to the class of 2009!

Congratulations Tony- we're so proud of you! Love, Julia & Kristen

Its been a great 18 years. We've had fun watching the plays, going to games, even a couple of chorus debuts. The family vacations, sleepovers and taco dinners we'll always remember. We wish you much success in whatever you decide to do. We love you. Love, Auntie Deb & Tim

It seems like just yesterday when you said, "Dad you do this one and I'll do that one. Now here you are a fine young man, ready to walk into another chapter of your life. I want you to know I'm very proud of you and I couldn't ask for a better son. So go out there and be the best you can and I'll be right beside you all the way. Love, Dad

It seems like only yesterday I was sitting at the Gill Elementary School watching you run around with your big brimmed hat on for your school play. You have grown before our eyes and now the day has finally come that you have been waiting for. I wish you the very best in whatever the future holds for you. Congratulations on this special day! Don't live down to expectations. Go out there and do something remarkable. And remember, wherever you go, go with all your heart. I love you more than words can say! Love, Danielle

Way to go Joe!!!! It's been amazing watching you grow from an infant to a young man. From Anthony Joseph DeNofrio, to "You'll drown in those waters," and cruising with "Suliman" to 1 cent, 5 cent, dollar. Never forget the happy times in your life; those are moments you should cherish forever. Whatever road you choose to travel I will be behind you all of the way. Remember we have a special bond June 28th and 29th. Congratulations and all my Love, Auntie Diane.

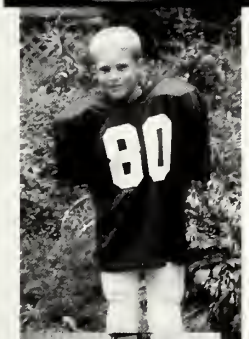
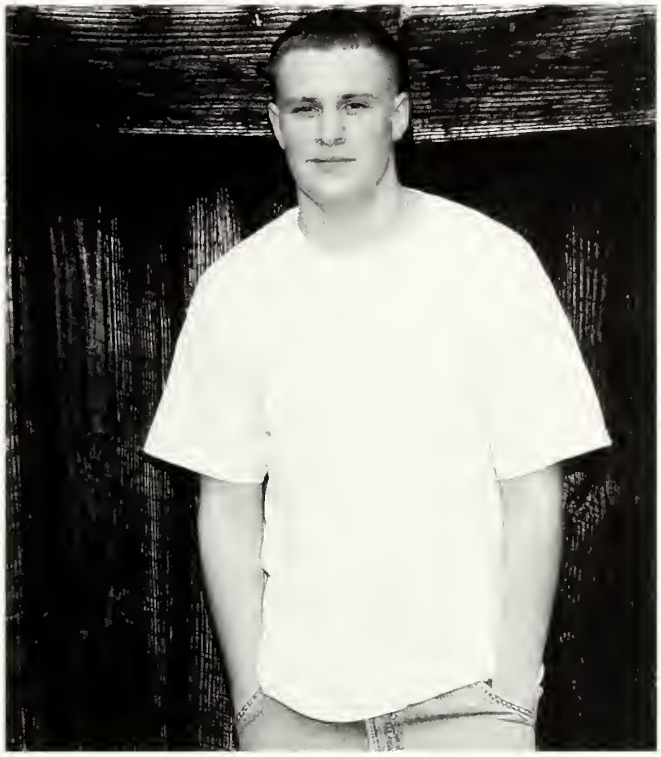
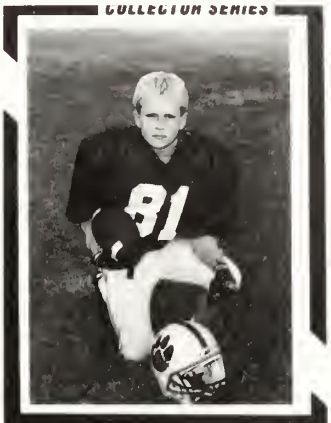
Randy Michael Tidlund







Turners Falls Wildcats

Dear Randy,

CONGRATULATIONS!!!!

I am extremely proud of you kiddo, more than you know.
Graduation is a huge achievement, and you deserve to be proud of yourself!
Time passes quickly Randy, so live each day with enthusiasm and zest, never settle for less, always strive to be a better person, and love deeply.
You can be whatever it is you set your mind to; you have the power, the capacity and the ability.

Believe in yourself!

Whatever it is you choose to do, **you can do**, with determination and drive.
Always be good to your friends, your family and those you love; work hard, play fair and remember your youth and where you came from.
Watching you grow up has been the greatest gift in my life, and being your mother my most precious job.
I will forever dream of you: as a little blonde-haired boy smiling all the time, of your fond attachment to Moo-Moo and Teddy, of you as a young boy playing baseball in the street with me, of you tossing the football in the backyard, of the Christmas you gave chicken to Santa and a banana to Rudolph (He has no teeth you said), your blonde eyebrows in the summer, the hamburgers on the floor when we first bought the house, our vacations at the beach with Ben, of all the football and baseball games, of you as a teenager running up and down the stairs (and eventually out the door), of Daisy and Ozzy of all memories we shared together.
I love you Mr. Tidlund, I am proud of you and I will miss our years together in our little brown house on the hill, but they will always live within me.
Thank you for giving me a full and joyful life.
You are a beautiful soul with much to give.
May you find whatever it is you are looking for in this world.
Love you...Mom

Sara, you were a little girl who changed our lives. You have become a beautiful woman, who we have learned so much from. Sometimes in life it is not the great things that you do, but the fact that you tried and gave it your best. Never forget where you came from and always remember how far you can go. Follow your passion and you will find your dreams.

Kimberly Nicole... My daughter,My angel! Where have the past 17 years gone? I remember the first time you got on the bus for kindergarten! No more buses for you: a set of keys and a five speed. We've enjoyed so many wonderful memories together! I loved coaching you in softball for many years. Motorcycle rides, Jetskiing on the Connecticut River and flying airplanes! We've been quite the mother/daughter duo! We've had our serious sad times, too. Dead being killed on his motorcycle, threw our family for a loop. You were his baby girl, his "Pumpkin". He watches over you daily and nightly. His spirit shines thru your smile and the sparkle of your eyes. Wherever you go in life and whatever you do, always remember you CAN do it, because you are a Nelson!

We are so proud of you for your accomplishments! Ever since you were a little girl you have amazed us with the things you have done. You have made our lives so much happier and fuller! You are beautiful, smart, funny and full of common sense with a great attitude. You will accomplish anything you put your mind to in life. It's hard to believe our little girl has grown up, but its not hard to believe she has grown to be such a fantastic young woman! We miss our little girl but every day you still amaze us with things you do and at the same time you will ALWAYS be our little girl. We wish you well in everything you do and we will always be here to help you in any way that you may need it. Great job!! We love you forever and always, Mom & Dad

We've watched you grow from an infant to a fine young woman. May your future be filled with success and happiness and may all your dreams come true. Love, Gram & Grandpa Demers
